Re: U.S. Patent Application No. 09/699,312 entitled
"INTERCONNECT SYSTEM AND METHOD FOR MULTIPLE
PROTOCOL SHORT MESSAGE SERVICES"
Our File: 42617/214105 (JA03742-0230)

Dear Peter:

We recently received the formal papers for the above-referenced application. We will proceed to file the formal papers in response to the Notice of Missing Parts. If the response is filed by April 3, 2001 then a one-month extension of time will be required. A response can be filed anytime prior to July 3, 2001 with the payment of additional extension of time fees.

In addition to the formal papers, we need to pay the filing fee for this patent application. The filing fee is \$345. We ask that you provide us with a check in that amount, made payable directly to "Commissioner for Patents" to cover the cost of the filing fee. In addition, we ask that you provide us with a check in the amount of \$40 made payable directly to "Commissioner for Patents" for the Assignment recordation fee. Finally, we ask that you provide us with a check in the amount of \$55 for a one-month extension of time. This check should also be made payable directly to "Commissioner for Patents. Please note that each of these amounts need to be in a separate check.

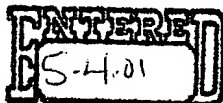

If you have any questions or need any additional information, please do not hesitate to contact us.
